Since 2011, Kirkstall has built a reputation for quality and consistency, whether in its growing estate of traditional pubs or in its range of well-loved beers like Virtuous and Three Swords.

Five Points

The Five Points Brewing Co was founded in a railway arch in Hackney in 2013, and is now one of the largest independent breweries in London. Best known for brewing modern classics in keg and cask, Five Points is inspired by a passion for British brewing traditions and the best of the international craft beer movement.

Leeds Brewery

Leeds Brewery has carried the torch for great quality cask beer brewed in Leeds since 2007. A range of local favourites including Leeds Pale and Midnight Bell have made Leeds Brewery popular with drinkers craving accessibility, flavour and balance.

Allsopp's

Allsopp's began brewing in 1730 and has now been revived by founder Samuel Allsopp's great-great-great-great grandson.
